Invoice Terms:

We're committed to supporting you throughout this difficult time, and as part of that commitment we offer three distinct payment options:

- **1. Payment in Full** | If you wish to settle in advance, in full, we would be grateful. In recognition of the reduction in our administration, and as a gesture of thanks, we will plant a memorial tree on behalf of your loved one and will share a certificate and details of this with you.
- **2. Disbursements then Invoice** | We will settle all third-parties (disbursements) on your behalf and so you may choose to only settle these in advance of the service taking place, with the remainder of the invoice to be settled promptly afterwards. Disbursements required prior to the funeral service taking place are displayed for each specific service.
- **3. Finance Support** | We understand that funds may be tied-up in the estate of the person who has passed away, and so we have partnered with Funeral Safe who can provide finance and support with the costs associated with arranging a funeral. Further details and a calculator can be accessed via our website, or else a member of the team would be happy to put you in touch with the Funeral Safe team.

Payment Types: We accept payment by Cash, Bank Transfer, Credit and Debit Card.

Charitable Donations:

Perry & Phillips do not make donations in excess of £250.00.

All donations received from Funeral services are handled in accordance with our long-term donations policy. A copy of which can be found on our website.
